The Member / claimant can file only one consolidated claim in a financial year as per the IEPF Rules.
- 16) Investor Grievance Redressal: Company has an exclusive e-mail id, viz. [cs.smifs@gmail.com](mailto:cs.smifs@gmail.com) for investors to register their grievances if any.
- 17) Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN detail to the Company/Registrars and Transfer Agents.
- 18) In compliance with the provisions of Section 108 of the Act and the Rules framed thereunder, as amended to date and Regulation 44 of the Listing Regulations, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL, on all the resolutions set forth in this Notice. The instructions for e-voting are given herein below. The remote e-voting period commences on Saturday, 16th August, 2025 at 10:00 A.M. (IST) and ends at 5.00 P.M. (IST) on Tuesday, August 19th, 2025. During this period, Members holding shares either in physical or de-materialized form as on the Cut-Off Date i.e., Wednesday, 13th August, 2025 may cast their votes electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.
- 19) Members holding shares in physical form are informed that Securities and Exchange Board of India has amended SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015 which has come into force wherein except in cases of transmission or transposition of securities requests for effecting transfer of securities shall not be processed unless the securities are held in dematerialized form with a depository. Hence, members holding securities in physical form are

requested to convert their holdings to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company's RTA for assistance in this regard.

- 20) To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holding should be obtained from the concerned Depository Participant and holding should be verified.
- 21) Members who have not registered their e-mail address so far, are requested to register their e-mail address for receiving all communications including Annual Report, Notices, and Circulars etc. from the Company electronically.

**The instructions for share holders voting electronically are as under:**

**CDSL e-Voting System – For E-voting**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020, Circular No. 21/2021 dated December 14, 2021, Circular No. 10/2022 dated December 28, 2022, Circular No. 9/2023 dated September 25, 2023 and Circular 9/2024 dated September 19, 2024. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.smifscap.com](http://www.smifscap.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and

The Calcutta Stock Exchange Limited at [www.bseindia.com](http://www.bseindia.com) and [www.cse-india.com](http://www.cse-india.com) respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).

7. The AGM has to be convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

#### **THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:**

**Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.**

**Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.**

- (i) The voting period begins on Saturday, 16th August, 2025 at 10:00 A.M. (IST) and ends at 5.00 P.M. (IST) on Tuesday, August 19th, 2025. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, 13th August, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.**

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

## 6. YEAR IN RETROSPECT AND FUTURE OUTLOOK

The financial year 2024-25 began on a promising note as supplies of goods were improving, financial markets exuded greater optimism and globally central banks were steering their economies towards a soft landing. In December 2024, President Trump sparked trade tensions by targeting India's high tariffs under his "America First Trade Policy". On 2nd April 2025 USA announced reciprocal tariffs: a minimum flat 10% tariff on all imports from various countries as well as country-specific rates mirroring foreign levies on US goods, citing unfair trade practices and tariff asymmetry as threats to US economic stability. For India, a 26% duty on exports to USA starting 9th April, 2025 was announced. However, in a significant shift from his earlier aggressive stance, President Trump announced a 90 day pause on implementing new reciprocal tariffs on India which meant 10 % flat duty on all imports, while maintaining high tariffs on Chinese imports which has later been revised to 30% tariff for 90 days. This signals a strategic reconsideration amidst global supply chain challenges and evolving geopolitical priorities. For India, these developments could have a significant impact on exports by various sectors like textiles, gems and jewellery etc.

Auto parts, steel, and aluminum are not covered in the recent tariff orders as they are already subject to the Section 232 tariffs of 25% announced on 26 March 2025. Auto parts exports for which the US is a key market, may face headwinds. India's exports of semiconductor devices

to the US were approximately US\$ 1.81 billion in 2023. Thus, acknowledging their critical role in global supply chains, semiconductors have been exempted from these tariffs.

Amongst the global turmoil and near recessionary conditions in many countries, India remains one of the fastest growing economies in the world. Reserve Bank of India in April 2025 has projected India's GDP growth rate for the financial year 2025-2026 at 6.5 % and has estimated CPI inflation to come down in 2025-26 to 4 %. IMF has cut India's GDP Forecast To 6.2% for 2025-26, which is lower than RBI's estimates for the financial year 2025-26.

India's retail inflation has reduced from 5.4 per cent in 2023-24 to 4.9 per cent in 2024-25 (April-December), aided by various government initiatives and monetary policy measures. WPI inflation eased to a nine-month low of 0.85% in April, down from 2.05% in March, driven by falling fuel prices and moderated food inflation. IMD and Skymet have forecasted above normal and normal monsoon respectively for India in 2025. Therefore, moderating inflation pressures and forecast of normal monsoon have opened up possibility of interest rate cuts in India in the second half of 2025-26 as well after two repo rate cuts of 25 basis points each in last few months.

Our economy is growing at a fast pace and this is evidenced by highest GST revenue collection for April 2025 at Rs. 2.37 lakh crores. This represents a significant 12.6% year on year growth driven by a strong demand in domestic transactions (up 10.7%) and imports (up 20.8%). India's Industrial growth (IIP) for the financial year 2024-25 was at 4% compared to 5.9% for the year 2023-24 which is expected to accelerate in 2025-26. In spite of a record US \$824.9 billion worth of exports in financial year 2024-25, India's trade deficit widened to US\$ 94.26 billion, as total imports rose by 6.85%, amounting to US\$ 915.19 billion for the financial year. India's services exports grew at one of the fastest rates over the last 18 years and India's defence and electronics exports have risen rapidly.

India's fiscal deficit in 2024-25 has come down to 4.8% of GDP and is estimated to come down to around 4.4% in 2025-26. In spite of geopolitical developments affecting crude prices, India has managed its crude imports well by negotiating appropriate discounts from Russia and other exporting countries.

Amidst this volatility, our banking and non-banking financial service sectors in India remain healthy and is well governed by the Regulator. The Indian Rupee has also moved in an orderly manner in the financial year 2024 – 25.

As per IMF, India is likely to become the third largest economy in 2027. Capital expenditure has emerged as a key growth driver in India. Government has accelerated public sector capital expenditure and private sector capital expenditure is now catching up. Capacity utilization has now reached around 75 percent and corporates are considering setting up new capacities. The Government has also come out with production linked incentive schemes in various sectors which is boosting capital expenditure and manufacturing.

On April 22, 2025, in a devastating attack in Pahalgam, militants opened fire on tourists which led to the tragic demise of civilians. In response to the terror attack, decisive action was taken by India in destroying terror infrastructure in Pakistan and PoK. Pakistan approached India for a ceasefire which India accepted and our markets moved up in the week thereafter also aided by trade agreement between USA and China for a 90 day pause. BSE Sensex moved up from 73,651 on 31st March 2024 to 77,415 on 31st March 2025, a rise of 5.11 %. FIIs sold Rs. 3,99,939.69 crores worth of shares during 2024-25 as valuations became expensive and funds moved to developed markets during the year.

MANAGEMENT DISCUSSION AND ANALYSIS**

**1. FINANCIAL STATEMENTS**

Financial Statements are in compliance with the provisions of the Companies Act, 2013 and the Accounting Standards issued by ICAI. Readers are cautioned that this discussion may include "forward-looking statements" that are not historical in nature. Forward looking statements may include statements relating to future results, financial condition, business prospects, plans and objectives. Statements are based on current beliefs, assumptions, expectations, estimates and projections on the business segment in which your company operates. The statements do not guarantee positive performance, exposed to known and unknown uncertainties, many of which are beyond the control of your Company. Uncertainty could cause results to differ from forward-looking statements, which should not be construed as representation of future performance.

**2. MACRO-ECONOMIC OVERVIEW**

The financial year 2024-25 began on a promising note as supplies of goods were improving, financial markets exuded greater optimism and globally central banks were steering their economies towards a soft landing. In December 2024, President Trump sparked trade tensions by targeting India's high tariffs under his "America First Trade Policy". This signals a strategic reconsideration amidst global supply chain challenges and evolving geopolitical priorities. For India, these developments could have a significant impact on exports by various sectors like textiles, gems and jewellery etc.

Auto parts, steel, and aluminum are not covered in the recent tariff orders as they are already subject to the Section 232 tariffs of 25% announced on 26 March 2025. Auto parts exports for which the US is a key market, may face headwinds. India's exports of semiconductor devices to the US were approximately US\$ 1.81 billion in 2023. Thus, acknowledging their critical role in global supply chains, semiconductors have been exempted from these tariffs.

Amongst the global turmoil and near recessionary conditions in many countries, India remains one of the fastest growing economies in the world. Reserve Bank of India in April 2025 has projected India's GDP growth rate for the financial year 2025-2026 at 6.5 % and has estimated CPI inflation to come down in 2025-26 to 4 %. IMF has cut India's GDP Forecast To 6.2% for 2025-26, which is lower than RBI's estimates for the financial year 2025-26.

India's retail inflation has reduced from 5.4 per cent in 2023-24 to 4.9 per cent in 2024-25 (April-December), aided by various government initiatives and monetary policy measures. WPI inflation eased to a nine-month low of 0.85% in April, down from 2.05% in March, driven by falling fuel prices and moderated food inflation. IMD and Skymet have forecasted above normal and normal monsoon respectively for India in 2025. This represents a significant 12.6% year on year growth driven by a strong demand in domestic transactions (up 10.7%) and imports (up 20.8%). India's Industrial growth (IIP) for the financial year 2024-25 was at 4% compared to 5.9% for the year 2023-24 which is expected to accelerate in 2025-26. FIIs sold Rs. 3,99,939.69 crores worth of shares during 2024-25 as valuations became expensive and funds moved to developed markets during the year.

### 3. OPPORTUNITIES

The imposition of very high reciprocal tariffs by the US may lead to lower global and US GDP growth and higher global and US inflation. However, on a relative basis, India appears to be better-placed versus competition as relatively low tariff rates have been imposed versus major competing economies and India is significantly less dependent on exports versus competition.

Moreover, Services Exports have not been impacted. India's macro situation is stable and robust and monetary policy has turned very supportive.

The near-term impact on India's exports and GDP growth is expected to be minimal due to the relatively lower tariffs. However, certain sectors such as automobiles and steel and aluminium may face immediate challenges. The union budget not only aimed to stimulate consumption by providing Income tax relief to the middle class, it provided scope for RBI to cut rates, thereby reviving growth. Rural economy is also expected to see a pickup on expectation of a good monsoon. Even Urban consumption could see a recovery led by lower inflation, income tax and interest rate cuts.

Brent crude prices are hovering around US\$ 65 much below the budgeted amount and leaving a large surplus for government to increase spending. India has already done mutually beneficial trade treaty with United Kingdom and it is expected that it will negotiate a mutually beneficial bilateral trade agreement with USA. On announcement of ceasefire between India and Pakistan and a 90 day tariff agreement between USA and China, our markets moved up in the week thereafter.

The Indian banking system remains sound and healthy, with strong capital and liquidity positions, improving asset quality, better provisioning coverage along with improved profitability. The Indian Capital markets have performed well in 2024-2025 and the BSE Sensex has moved up from 73,651 on 31st March 2024 to 77,415 on 31st March 2025, an appreciation of 5.11 %. Participation of retail and high networth individuals have grown significantly as evidenced by the growth in demat accounts. Demat accounts on 31st March 2024 were 151 million and have increased to 192.4 million on 31st March 2025.

#### 4. THREATS

In December 2024, President Trump sparked trade tensions by targeting India's high tariffs under his "America First Trade Policy". On 2nd April 2025, USA announced reciprocal tariffs: a flat 10% duty on all imports starting 5 April as well as country-specific rates mirroring foreign levies on US goods, citing unfair trade practices and tariff asymmetry as threats to US economic stability. For India, this meant a 26% duty starting 9th April. However, in a significant shift from his earlier aggressive stance, President Trump announced a pause on implementing new reciprocal tariffs on India, for 90 days. This signals a strategic reconsideration amidst global supply chain challenges and evolving geopolitical priorities. For India, heavily reliant on exports, these developments could have a significant impact sectors like textiles, gems and jewellers.

Auto parts, steel, and aluminum are not covered in the recent tariff orders as they are already subject to the Section 232 tariffs of 25% announced on 26th March 2025. While exports to US formed 27% of the total exports in 2024-25, auto parts exports, where the US is a key market, may face headwinds. India's exports of semiconductor devices to the US were approximately USD \$1.81 billion in 2023. Thus, acknowledging their critical role in global supply chains, semiconductors have been exempted from these tariffs.

Because of the uncertainties due to increase in tariffs threatened by USA and the prospects of global slowdown and expensive valuations of our market, FII's sold shares worth Rs. 3,99,939.69 crores during 2024-25 and our markets corrected by 2.48 % between October 01, 2024 to March 31, 2025.

## 5. RISKS AND CONCERNS

Medium-term risks include trade disruptions, retaliatory tariffs, and a potential global growth slowdown. The extent of the eventual impact for India may depend on the US-India bilateral agreement which is expected in the next few months. India may have to look at lowering both tariff as well as taxes and non-tariff barriers such as surcharges on imports from the US in sectors such as alcoholic beverages, automobiles, chemicals, electronics, etc

## 6. FUTURE OUTLOOK

Your company is registered as a Category I Merchant Banker and executes assignments in areas of mergers and acquisitions, debt syndication, placement of equity shares and debentures and is cautiously optimistic for the year 2025-26 as good monsoon, rural recovery, interest rate cuts, infusion of higher liquidity by RBI and policy reforms are driving growth momentum in the economy.

## 7. GREEN INITIATIVE

Your Company has endeavored to popularize the initiative announced by the Central Government vide its Circular No. 17/2011 dated April 21, 2011 and Circular no. 18/2011 dated April 24, 2011. Your company took measures to send all documents in electronic mode to the members who have registered their email ID's with the Company / Registrar & Share Transfer Agent, a step towards achieving paperless statutory compliances.

## 8. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Internal control system adopted aimed at promoting operational efficiencies and emphasizing adherence to the policies adopted by the Board of Directors.

## 9. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing your Company's position and expectations may be "forward looking statements" within the meaning of the applicable securities laws and regulations. Results could differ materially from the statements expressed or implied.

## INDEPENDENT AUDITOR'S REPORT

To The Members of **Nexome Capital Markets Limited**

### Report on the audit of the Standalone Financial Statements

#### Opinion

We have audited the accompanying Standalone Financial Statements of **NEXOME Capital Markets Limited** (formerly known as SMIFS Capital Markets Limited) ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the material accounting policy information and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, profit and total comprehensive income, changes in equity for the year and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No.	Key Audit Matter	Auditor's Response
(a)	<p><b>Deferred Tax on revaluation of Investments</b></p> <p>Refer Note 17 and 31 to the standalone financial statements.</p> <p>Deferred Tax Liability have been created during the year in respect of increased valuation of investment. Hence, it has been identified as a Key Audit Matter.</p>	<p><b>Our Tax Expertise</b></p> <ul style="list-style-type: none"> <li>– Examine relevant records and documents pertaining to deferred tax calculation.</li> <li>– Compute deferred tax liability as per the latest applicable rates in the Finance Act.</li> <li>– Ensure that the requirements of Ind AS 12 have been appropriately followed for the period under audit.</li> </ul>
(b)	<p><b>Valuation of investment in certain equity interests of listed and unlisted company</b></p> <p>Refer note 3 to the standalone financial statements.</p> <p>The investment in certain equity interests of a listed and unlisted company (the 'investment') are to be measured at fair value at each reporting date, and same has been measured at fair value through other comprehensive income.</p> <p>With reference to the valuation, management had estimated the fair value of the Investment at Rs. 11,835.25 lakhs at year end.</p> <p>In consideration of the Investment is operating in an emerging industry and its fair value is highly dependent on significant management judgements. Accordingly, the valuation of the Investment was considered as one of the key audit matters.</p>	<p>Based on the audit procedures performed, we found the assumptions made by management in relation to the valuation were supported by available evidence.</p>

#### Emphasis of Matter

1. We draw attention to Note No 15 whereby the company has allotted by way of Preferential allotment 2,92,000 Equity Shares of Rs. 10/- at a premium of Rs.54/- each to a non-promoter and 19,20,000 Equity Convertible Warrants to a Promoter and Non-Promoters carrying a right to convert each warrant into an Equity Share of Rs. 10/- each at a premium of Rs 54 per share within a period of 18 months from the date of allotment i.e. 25th October 2024. The Equity shares to be issued on conversion of Warrants, shall rank pari-passu with the existing equity shares of the Company.
2. We draw attention to Note No 45 (xvii) which pertains to a provision amounting to Rs 58.53 lacs deposited with City Civil Court-Bombay where there are remote chances of recovery and the matter is sub judice from a very long time.

Our opinion is not modified in respect of this matter.

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Annual Report if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:
  - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - ii. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - iii. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - iv. In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - v. On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
  - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - vii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended we report that:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - viii. respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - a. The Company does not have any pending litigation which would impact its financial position in its standalone financial statements.
    - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
    - d. (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under d(I) and d(II) above contain any material misstatement.
- e. No dividend has been paid or declared by the company during the year.
- f. The Company has maintained its books of account using accounting software which has a feature of recording audit trail (edit log) facility.

Based on our examination, which included test checks, and according to the information and explanations given to us, we report that:

- (a) The audit trail feature has been enabled and operated throughout the year for all transactions recorded in the software.
  - (b) During the course of our audit, we did not come across any instance of the audit trail feature being tampered with.
  - (c) The audit trail records have been preserved by the Company as per the statutory requirements for record retention under applicable law.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of NEXOME CAPITAL MARKETS LIMITED of even date).

- i. a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.  
(B) The Company does not have any intangible asset as of date.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the company, we report that, the title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the Note to the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) during the year ended 31st March, 2025.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) As explained to us, the inventories of securities held as stock in trade has been verified by the management with demat accounts maintained with depositories at reasonable intervals and the company is maintaining the proper records of Inventories and as explained to us, no discrepancies were noticed on verification of stocks and book records.
- b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has made investments in companies and granted secured

and unsecured loans to companies and other parties, in respect of which the requisite information is as below.

a) ₹ In Lacs

Particulars	Loans
<b>Aggregate amount during the year ended 31 March 2025</b>

- f) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has granted loans of Rs. 403.50 lacs (100%) repayable on demand. No loans have been granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013.
- iv. According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees, and securities provided, as applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public during the year. Accordingly, clause (v) of paragraph 3 of the Order is not applicable.
- vi. We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by Central Government for the maintenance of cost records under sub- section (1) of section 148 of the Companies Act, 2013. However, the maintenance of such cost records has not been specified by Central Government for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

- vii. In respect of statutory and other dues:
- a) According to the information and explanations given to us, the Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Duty of Customs, Goods and Services Tax, Cess and other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2025 for a period of more than six months from the date of becoming payable.
  - b) According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2025 for a period of more than six months from the date of becoming payable.
- viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
- f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. a) The Company has not raised any money by way of initial public offer and further public offer (including debt instruments) during the year.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The company is not a Nidhi Company. Accordingly, clause (xii) of paragraph 3 of the Order is not applicable.

- xiii. Transactions with related parties are in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable, and details of such transactions have been disclosed in the Standalone Financial Statements, as required by the applicable Indian Accounting Standards.
- xiv. a) The company has an internal audit system which is commensurate with the size and nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not entered into non-cash transactions with the directors or persons as per section 192 of the Companies Act, 2013. Accordingly, clause (xv) of paragraph 3 of the Order is not applicable.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (b) To the best of our knowledge, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The company has not incurred cash losses in current financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year and accordingly requirement to report on clause 3(xviii) of the Order is not applicable to the company.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. To the best of our knowledge, section 135 of the said Companies Act, 2013 is not applicable to the company and accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.

## ANNEXURE - B TO THE AUDITORS' REPORT

(Referred to in paragraph 1(vi) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Nexome Capital Markets Limited** of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of NEXOME Capital Markets Limited ('the Company') as of 31st March 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## NEXOME CAPITAL MARKETS LIMITED

(Formerly SMIFS CAPITAL MARKETS LIMITED)

### NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

#### The Company Information

Nexome Capital markets Limited (the "Company") is a public limited company incorporated and domiciled in India and has its registered office at Vaibhav, 4F, 4, Lee Road, Kolkata - 700 020, India. The Company is listed on the BSE Limited and Calcutta Stock Exchange Limited. The company is engaged mainly in merchant banking and trading in government securities and shares.

The financial statements for the year ended March 31, 2025 were approved by the Board of Directors and authorised for issue on 23rd May 2025.

#### Note: 1 Material Accounting Policy Information

##### a) Statement of Compliance

The standalone financial statements comply in all material aspects with Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], other relevant provisions of the Act and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III). The Company has consistently applied the accounting policies used in the preparation for all periods presented. The Financial statements are presented in Indian Rupees except otherwise indicated.

##### b) Basis of Preparation

The Financial Statements of the Company have been prepared on historical cost convention under accrual method of accounting and as a going concern concept except for certain assets and liabilities which are measured at fair values as required by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as per the Company's normal operating cycle and the other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and noncurrent classification of assets and liabilities.

##### c) Use of estimates

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, and future periods affected.

##### d) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Freehold land is disclosed at cost less impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/ bringing the asset to its working condition for its intended use (net of credit availed, if any). Capital work in progress, plant and

equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The Company has elected to continue with the carrying value of its Property Plant & Equipment (PPE) recognised as on April 1, 2015 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date as per Para D7AA of Ind AS 101.

#### **Depreciation**

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a written down value basis over the useful lives as prescribed under Schedule II to the Companies Act, 2013.

Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from the asset by the Company.

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month proceeding the month of deduction/disposal.

#### **e) Impairment of Non-financial assets**

The Company assesses at each reporting date whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating unit may be impaired. If any such indication exists the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

#### **f) Inventories**

Inventories consisting of shares and securities have been individually valued script wise at lower of cost and market rate, in case they are quoted. Other stock-in-trade are valued at cost/net asset value whichever is lower or where balance sheet of investee Company is not available for past two years, value of such unquoted Stock-in-trade have been taken at rupee one per share as per prudential norms issued by the Reserve Bank of India.

**g) Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale and borrowing costs are being incurred. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

**h) Provisions, Contingent liabilities and Contingent Assets**

Provisions are recognised when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at each Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the best current estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

**i) Revenue recognition**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company regardless of when the payment is being made.

**Interest Income**

Income from interest on deposits, loan and interest bearing securities is recognised on a time proportion basis taking into account the underlying interest rate.

**Dividend income**

Dividend income is recognised at the time when right to receive the payment is established, which is generally, when the shareholders approve the dividend.

**j) Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities (including MAT) attributable to temporary differences and to unused tax losses.

Deferred tax is provided using the balance sheet approach on temporary differences at the

reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

**k) Cash flow statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**l) Financial instruments**

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

**Financial Assets**

**Initial Recognition**

All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition

**Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- entity's business model for managing the financial assets and
- contractual cash flow characteristics of the financial asset.

**Debt Instruments**

**Amortised Cost**

A financial asset is subsequently measured at amortised cost, if the financial asset is held within a business model, whose objective is to hold the asset in order to collect contractual cash flow

and the contractual term of financial asset give rise on specified date to cash flow that are solely payment of principal and interest on principal amount outstanding.

#### **Fair Value through Other Comprehensive Income**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

#### **Fair Value through Profit or Loss**

A financial asset is classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### **Equity Instruments**

All investments in equity instruments classified under financial assets are measured at fair value. The company, in respect of equity investments which are not held for trading, made an irrevocable election based on its judgment to present in other comprehensive income subsequent changes in the fair value (FVOCI) of such equity instrument. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

#### **Financial Liabilities**

##### **Initial Recognition**

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

##### **Classification and Subsequent Measurement: Financial liabilities**

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

##### **Impairment of financial assets**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit

risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

#### **Derecognition of financial instruments**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the contractual rights to receive the cash flows from the asset.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

#### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### **m) Fair value measurements**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### **n) Employee benefits**

#### **Defined contributions plan**

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the

Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

#### **Defined benefit plans**

The Company's Liabilities on account of Gratuity and Earned Leave on retirement of employees are determined at the end of each financial year on the basis of actuarial valuation certificates obtained from Registered Actuary in accordance with the measurement procedure as per Indian Accounting Standard (Ind AS) -19., 'Employee Benefits' The gratuity liability is covered through a policy taken by a trust established under the group gratuity scheme with Life Insurance Corporation of India (LIC). The costs of providing benefits under these plans are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

The Defined Benefit Plan can be short term or Long terms which are defined below:

##### **(i) Short term Employee benefit**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the balance sheet.

##### **(ii) Long term Employee benefits**

Compensated absences which are not expected to occur within 12 months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

#### **o) Segment reporting**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

#### **p) Borrowings**

Borrowings are measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a

breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

**q) Earnings per share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**r) Investment in subsidiary**

Investment in subsidiary is shown at deemed cost. Further where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss, if any. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of profit and loss, if any.

**s) Business Combinations**

Business combinations have been accounted for using the acquisition method under the provisions of Ind AS 103, Business Combinations. The Cost of acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities incurred or assumed at the date of acquisition, which is the date on which control is transferred to the Company. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value on the date of acquisition.

**t) Changes in Accounting Policies and disclosure:**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

**u) Compliance with audit trail for accounting software:**

The Company is using an ERP which is widely used. The ERP software is having an audit trail feature for maintaining its books of account. The Company enabled audit trail in all the tables throughout the year.

#### Note : 33 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

##### Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

##### Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using other valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial

##### Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

**Level 1 :** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

**Level 2 :** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

**Level 3 :** If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

(Formerly SMIFS CAPITAL MARKETS LIMITED)

### NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

#### **Note : 37 Financial risk management objectives and policies**

The Company's principal financial liabilities comprise loans and borrowings and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investment in equity instruments, Investment in preference shares, Investment in debentures, trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

#### **(A) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risks. The value of a financial instrument may change as a result of changes in the interest rates, equity price fluctuations and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

##### **i) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with fixed interest rates. The Company is carrying its borrowings primarily at fixed rate.

	₹ in Lakhs	
Particulars	31st March 2025	31st March 2024
Fixed rate borrowings	297.32	4.81

##### **(ii) Equity Price risk**

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The fair value of Company's investment in quoted equity securities as at March 31, 2025 and March, 2024 was ₹ 3424.92 Lakhs and ₹ 1976.41 Lakhs respectively. A 10% change in equity price as at March 31, 2025 and March 2024 would result in an impact of ₹ 342.49 Lakhs and ₹ 197.64 Lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

#### **(B) Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company is exposed to credit risk from its financing activities, investment in mutual funds and other financial instruments.

##### **(i) Trade receivables**

Customer credit risk is managed by each business location subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed and individual credit limits are defined in accordance with the assessment both in terms of number of days and amount. Any Credit risk is curtailed with arrangements with third parties.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 07. The Company does not hold collateral as security.

### NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

#### (ii) Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investment of surplus funds are made only with approved counterparties. The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March 2025 and 31 March 2024 is the carrying value as illustrated in Note 36.

#### (C) Liquidity risk

Liquidity risk refer to the risk that the Company may not able to meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per the requirement. The Company maintains its surplus funds, if any, in deposits / balances which carry low market risk. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

## INDEPENDENT AUDITORS' REPORT

To The Members of Nexome Capital Markets Limited

### **Report on the audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of Nexome Capital Markets Limited ("the Parent company") and its subsidiary (the parent company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the material accounting policy information and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements of subsidiary referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2025, and consolidated profit, consolidated total comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No.	Key Audit Matter	Auditor's Response
(a)	<p>Refer Note 17 and 31 to the consolidated financial statements.</p> <p>Deferred Tax Liability Have been created during the year in respect of increased valuation of investment. Hence, it has been identified as a Key Audit Matter.</p>	<p><b>Our Tax Expertise</b></p> <ul style="list-style-type: none"> <li>– Examine relevant records and documents pertaining to deferred tax calculation.</li> <li>– Compute deferred tax liability as per the latest applicable rates in the Finance Act.</li> <li>– Ensure that the requirements of Ind AS 12 have been appropriately followed for the period under audit.</li> </ul>
(b)	<p><b>Valuation of investment in certain equity interests of listed and unlisted company</b></p> <p>Refer note 3 to the consolidated financial statements.</p> <p>The investment in certain equity interests of a listed and unlisted company (the 'investment') are to be measured at fair value at each reporting date, and same has been measured at fair value through other comprehensive income.</p> <p>With reference to the valuation, management had estimated the fair value of the Investment at Rs. 11,641.45 lakhs at year end.</p> <p>In consideration of the Investment is operating in an emerging industry and its fair value is highly dependent on significant management judgements. Accordingly, the valuation of the Investment was considered as one of the key audit matters.</p>	<p>Based on the audit procedures performed, we found the assumptions made by management in relation to the valuation were supported by available evidence.</p>

#### Emphasis of Matter

1. We draw attention to Note No 15 whereby the company has allotted by way of Preferential allotment 2,92,000 Equity Shares of Rs. 10/- at a premium of Rs.54/- each to a non-promoter and 19,20,000 equity convertible warrants to a Promoter and Non-Promoters carrying a right to convert each warrant into an Equity Share of Rs. 10/- each at a premium of Rs 54 per share within a period of 18 months from the date of allotment i.e. 25th October 2024. The Equity shares to be issued on conversion of Warrants, shall rank pari-passu with the existing equity shares of the Company.
2. We draw attention to Note No 45 (xvii) which pertains to a provision amounting to Rs 58.53 lacs deposited with City Civil Court-Bombay where there are remote chances of recovery and the matter is sub judice from a very long time.

Our opinion is not modified in respect of this matter.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's reports thereon. The annual report is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, and in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Management's Responsibility for the Consolidated Financial Statements**

The Parent Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are also responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matter**

We did not audit the financial statements/financial information of one Subsidiary, whose financial statements/financial information reflect total assets of Rs.664.02 Lakhs as at 31st March 2025, total revenue of Rs.19.19 Lakhs and net loss after tax amounting to Rs 1.31 Lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. This financial statements / financial information has been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements in so far as it relates to the amounts and disclosures included in respect of the subsidiary is based solely on the reports of such other auditor.

Our opinion on the consolidated Ind AS financial statements, and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements / financial information certified by the Management.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditor on the separate financial statements / financial information of the subsidiary referred to in the Other Matters section above we report, to the extent applicable that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
  - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
  - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.
  - e. On the basis of the written representations received from the directors of the Parent Company as on 31st March 2025 taken on record by the Board of Directors of the Parent Company, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent and subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary company incorporated in India, the remuneration paid by the Parent to its directors and such subsidiary company to its respective directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. There were no pending litigations which would impact the consolidated financial position of the Group.
  - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Parent Company.
  - iv. (a) The respective Management of the Parent and its subsidiary which are incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditor of such subsidiary respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or any of such subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or any of such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The respective Managements of the Parent and its subsidiary which is a company incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditor of such subsidiary respectively that, to the best of their knowledge and belief, no funds have been received by the Parent or any of such subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent or any of such subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditor of the subsidiary which is a company incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. No dividend has been paid or declared by the group during the year.
- vi. The Company has maintained its books of account using accounting software which has a feature of recording audit trail (edit log) facility.

Based on our examination, which included test checks, and according to the information and explanations given to us, we report that:

- (a) The audit trail feature has been enabled and operated throughout the year for all transactions recorded in the software.
  - (b) During the course of our audit, we did not come across any instance of the audit trail feature being tampered with.
  - (c) The audit trail records have been preserved by the Company as per the statutory requirements for record retention under applicable law.
2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of the respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said respective companies included in the consolidated financial statements.

## ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(vi) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of NEXOME Capital Markets Limited of even date).

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of NEXOME CAPITAL MARKETS LIMITED (hereinafter referred to as "the Parent Company"), its subsidiary company, which is incorporated in India as of 31st March 2025 in conjunction with our audit of the Consolidated Financial Statements of the Group for the year ended on that date.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor referred to in the Other Matters paragraph, the Parent and its subsidiary company, which is a company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Parent Company and its subsidiary company, which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company and its subsidiary's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal

financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the subsidiary company, which is a company incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary company, which is a company incorporated in India.

#### **Other Matters**

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Parent Company and its subsidiary which is incorporated in India in so far as it relates to separate financial statements of one subsidiary is based on the corresponding reports of the auditor of such subsidiary which is incorporated in India.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

#### Corporate Information

The Consolidated financial statements comprise financial statements of Nexome Capital Markets Limited (the "Company") and its subsidiary (collectively, "the Group") for the year ended 31st March 2025. The Company is a public limited company incorporated and domiciled in India and has its registered office at Vaibhav, 4F, 4, Lee Road, Kolkata - 700 020, India. The Company is listed on the BSE Limited and Calcutta Stock Exchange Limited. The company is engaged mainly in merchant banking and trading in government securities and shares.

The financial statements for the year ended March 31, 2025 were approved by the Board of Directors and authorised for issue on 23rd May 2025.

#### Note: 1 Material Accounting Policy Information

##### a) Statement of Compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015 as amended by companies (Indian Accounting Standards) (Amendment) Rules, 2016, the relevant provisions of Companies Act, 2013 ("the Act")

The Financial statements are presented in Indian Rupees (in lakhs) except otherwise indicated.

##### b) Basis of preparation

The Consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) 110- "Consolidated Financial statements" issued by the Institute of Chartered Accountants of India.

The Financial Statements of the Group have been prepared on historical cost convention under accrual method of accounting and as a going concern concept except for certain assets and liabilities which are measured at fair values as required by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as per the Group's normal operating cycle and the other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group has ascertained its operating cycle as 12 months for the purpose of current and noncurrent classification of assets and liabilities.

##### c) Basis of Consolidation

The consolidated financial statements relate to the SMIFS Capital Markets Limited ('the Company') and its wholly owned subsidiary Company.

The financial statements of the Company and its subsidiary Company have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses, after fully eliminating inter-company balances and transactions including unrealized profits or losses.

The consolidated financial statements are prepared by adopting uniform accounting policies for like transactions and events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

(Formerly SMIFS CAPITAL MARKETS LIMITED)

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

#### d) Use of estimates

In preparation of the financial statements, the Group makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, and future periods affected.

#### e) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Freehold land is disclosed at cost less impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/ bringing the asset to its working condition for its intended use (net of credit availed, if any). Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

On transition to Ind AS, the entity has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The Company has elected to continue with the carrying value of its Property Plant & Equipment (PPE) recognised as on April 1, 2015 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date as per Para D7AA of Ind AS 101.

#### Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a written down value basis over the useful lives as prescribed under Schedule II to the Companies Act, 2013.

Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Group, or the

number of production or similar units expected to be obtained from the asset by the Group.

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month preceding the month of deduction/disposal.

#### **f) Impairment of Non-financial assets**

The Group assesses at each reporting date whether there is any indication the any property, plant and equipment and intangible assets or group of assets, called cash generating unit may be impaired. If any such indication exists the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

#### **g) Inventories**

Inventories consisting of shares and securities has been individually valued script wise at lower of cost and market rate, in case they are quoted. Other stock-in-trade are valued at cost/ net asset value whichever is lower or where balance sheet of investee Company is not available for past two years, value of such unquoted Stock-in-trade have been taken at rupee one per share as per prudential norms issued by the Reserve Bank of India.

#### **h) Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale and borrowing costs are being incurred. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

#### **i) Provisions, Contingent liabilities and Contingent Assets**

Provisions are recognised when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at each Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the best current estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Group.

## NEXOME CAPITAL MARKETS LIMITED

(Formerly SMIFS CAPITAL MARKETS LIMITED)

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

#### j) Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered in net of variable consideration on account of various discounts and schemes offered by the Company as part of the Contract.

#### Interest Income

Income from interest on deposits, loan and interest bearing securities is recognised on a time proportion basis taking into account the underlying interest rate.

#### Dividend income

Dividend income is recognised at the time when right to receive the payment is established, which is generally, when the shareholders approve the dividend.

#### k) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities (including MAT) attributable to temporary differences and to unused tax losses.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against

future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

#### l) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

#### m) Financial instruments

Financial assets and financial liabilities are recognised when a Group becomes a party to the contractual provisions of the instruments.

##### **Financial Assets**

###### **Initial Recognition**

All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition

###### **Classification and Subsequent Measurement: Financial Assets**

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- entity's business model for managing the financial assets and
- contractual cash flow characteristics of the financial asset.

###### **Debt Instruments**

###### **Amortised Cost**

A financial asset is subsequently measured at amortise cost, if the financial asset is held within a business model, whose objective is to hold the asset in order to collect contractual cash flow and the contractual term of financial asset give rise on specified date to cash flow that are solely payment of principal and interest on principal amount outstanding.

###### **Fair Value through Other Comprehensive Income**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement

(Formerly SMIFS CAPITAL MARKETS LIMITED)

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

#### **Fair Value through Profit or Loss**

A financial asset is classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### **Equity Instruments**

All investments in equity instruments classified under financial assets are measured at fair value. The Group, in respect of equity investments, which are not held for trading, made an irrevocable election based on its judgment to present in other comprehensive income subsequent changes in the fair value (FVOCI) of such equity instrument. The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Group has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

#### **Financial Liabilities**

##### **Initial Recognition**

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

##### **Classification and Subsequent Measurement: Financial liabilities**

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

##### **Impairment of financial assets**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Group recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Group follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Group to track changes in credit risk. The Group calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

### **NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

#### **Derecognition of financial instruments**

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the contractual rights to receive the cash flows from the asset.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

#### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

#### **n) Fair value measurements**

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### **o) Employee benefits**

##### **Defined contributions plan**

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Group's provident fund contribution, in respect of certain employees,

is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Group has no further defined obligations beyond the monthly contributions.

#### Defined benefit plans

The Group's Liabilities on account of Gratuity and Earned Leave on retirement of employees are determined at the end of each financial year on the basis of actuarial valuation certificates obtained from Registered Actuary in accordance with the measurement procedure as per Indian Accounting Standard (Ind AS) -19., 'Employee Benefits' The gratuity liability is covered through a policy taken by a trust established under the group gratuity scheme with Life Insurance Corporation of India (LIC). The costs of providing benefits under these plans are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

The Defined Benefit Plan can be short term or Long terms which are defined below:

#### (i) Short term Employee benefit

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the balance sheet.

#### (ii) Long term Employee benefits

Compensated absences which are not expected to occur within 12 months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

#### p) Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

#### q) Borrowings

Borrowings are measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

## NEXOME CAPITAL MARKETS LIMITED

(Formerly SMIFS CAPITAL MARKETS LIMITED)

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

**r) Earnings per share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**s) Business Combinations**

Business combinations have been accounted for using the acquisition method under the provisions of Ind AS 103, Business Combinations. The Cost of acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities incurred or assumed at the date of acquisition, which is the date on which control is transferred to the Group. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value on the date of acquisition.

**t) Changes in Accounting Policies and disclosure:**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

**u) Compliance with audit trail for accounting software:**

The Company is using an ERP which is widely used. The ERP software is having an audit trail feature for maintaining its books of account. The Company enabled audit trail in all the tables throughout the year.

#### **Note : 33 Significant accounting judgements, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

##### **Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

##### **Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using other valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial.

##### **Impairment of non-financial assets**

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

**Level 1 :** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

**Level 2 :** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

**Level 3 :** If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

#### **Note : 37 Financial risk management objectives and policies**

The Company's principal financial liabilities comprise loans and borrowings and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investment in equity instruments, Investment in preference shares, Investment in debentures, trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

#### **(A) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risks. The value of a financial instrument may change as a result of changes in the interest rates, equity price fluctuations and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

##### **i) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with fixed interest rates. The Company is carrying its borrowings primarily at fixed rate.

Particulars	₹ in Lakhs	
	31st March 2025	31st March 2024
Fixed rate borrowings	300.20	9.31

##### **(ii) Equity Price risk**

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The fair value of Company's investment in quoted equity securities as at March 31, 2025, and March, 2024 was ₹ 3426.29 Lakhs and ₹1977.62 Lakhs respectively. A 10% change in equity price as at March 31, 2025 and March, 2024 would result in an impact of ₹ 342.63 Lakhs and ₹197.76 Lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

#### **(B) Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company is exposed to credit risk from its financing activities, investment in mutual funds and other financial instruments.

##### **(i) Trade receivables**

Customer credit risk is managed by each business location subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed and individual credit limits are defined in accordance with the assessment both in terms of number of days and amount. Any Credit risk is curtailed with arrangements with third parties.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 07. The Company does not hold collateral as security.

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

#### (ii) Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investment of surplus funds are made only with approved counterparties. The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March 2025 and 31 March 2024 is the carrying value as illustrated in Note 36.

#### (C) Liquidity risk

Liquidity risk refer to the risk that the Company may not able to meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per the requirement. The Company maintains its surplus funds, if any, in deposits / balances which carry low market risk. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

## INDEPENDENT AUDITORS' REPORT

### To the Members of SMIFS CAPITAL SERVICES LIMITED

#### Report on the audit of the Standalone Financial Statements

##### Opinion

We have audited the accompanying Standalone Financial Statements of **SMIFS CAPITAL SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, profit and total comprehensive income, changes in equity for the year and its cash flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

##### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>(a) <b><u>Deferred Tax on revaluation of Investments</u></b></p> <p>Refer Note 10 to the standalone financial statements.</p> <p>In the normal course of business, "Income Taxes" is the amount of income taxes payable (recoverable) in respect of the taxable profit (tax loss) for a period.</p> <p>Management makes judgements and estimates in connection with tax issues and tax exposures resulting in the recognition of deferred tax assets and liabilities as well as the tax provisions.</p> <p>As the provision of direct income taxes is highly dependent on significant management judgements, Accordingly, Direct Tax Provisions was considered as one of the Key Audit Matters.</p>	<p><b><u>Our procedures included: -</u></b></p> <ul style="list-style-type: none"> <li>- Testing the effectiveness of the controls around the recording and re-assessment of tax provisions.</li> </ul> <p><b><u>Our tax expertise:</u></b></p> <ul style="list-style-type: none"> <li>- Use of our own tax specialists to perform an assessment of the related correspondence, to consider the computation of tax provisions.</li> <li>- Challenging the assumptions using our own expectations based on our knowledge, considering relevant judgments passed by authorities, as well as assessing relevant opinions from third parties.</li> </ul> <p><b><u>Assessing disclosures:</u></b></p> <p>Considering the adequacy of the disclosures in respect of tax and uncertain tax positions, the results of our testing were satisfactory, and we found the level of tax provisioning and the adequacy of disclosures to be acceptable</p>
<p>(b) <b><u>Valuation of investment in certain equity interests of listed and unlisted company</u></b></p> <p>Refer note 3 to the standalone financial statements.</p> <p>The investment in certain equity interests of a listed and unlisted company (the 'investment') are to be measured at fair value at each reporting date, and same has been measured at fair value through other comprehensive income.</p> <p>With reference to the valuation, management had estimated the fair value of the Investment at ₹ 556.21 lakhs at year end.</p> <p>In consideration of the Investment is operating in an emerging industry and its fair value is highly dependent on significant management judgements. Accordingly, the valuation of the Investment was considered as one of the key audit matters.</p>	<p>Based on the audit procedures performed, we found the assumptions made by management in relation to the valuation were supported by available evidence.</p>

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable
2. As required by section 143(3) of the Act, based on our audit we report that:
  - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - ii. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - iii. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - iv. In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - v. On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
  - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - vii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended we report that:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - viii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - a. The Company does not have any pending litigation which would impact its financial position in its standalone financial statements.
    - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - c. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.
    - d. I) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or

entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under d(I) and d(II) above contain any material misstatement.
- e. No dividend has been paid or declared by the company during the year.
  - f. The reporting under rule 11(g) of the companies (Audit and Auditors) Rules, 2014 is applicable from 1st April 2023.

Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we did not come across any instance of audit trail features being tampered with.

- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public during the year. Accordingly, clause (v) of paragraph 3 of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. In respect of statutory and other dues:

- a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Duty of Customs, Goods and Services Tax, Cess and other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2025 for a period of more than six months from the date of becoming payable.
  - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2025 for a period of more than six months from the date of becoming payable.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
  - (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
  - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
  - (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
  - (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
  - (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x.
  - (a) The Company has not raised any money by way of initial public offer and further public offer (including debt instruments) during the year.
  - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi.
  - (a) To the best of our knowledge, No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
  - (b) To the best of our knowledge, No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
  - (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The company is not a Nidhi Company. Accordingly, clause (xii) of paragraph 3 of the Order is not applicable.
- xiii. Transactions with related parties are in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable, and details of such transactions have been disclosed in the Standalone

Financial Statements, as required by the applicable Indian Accounting Standards.

- xiv. (a) The company has an internal audit system which is commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion that the Company has not entered into non-cash transactions with the directors or persons as per section 192 of the Companies Act, 2013. Accordingly, clause (xv) of paragraph 3 of the Order is not applicable.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (b) To the best of our knowledge, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The company has not incurred cash losses in current financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. To the best of our knowledge, section 135 of the said Companies Act, 2013 is not applicable to the company and accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.

## **ANNEXURE - B TO THE AUDITORS' REPORT**

(Referred to in paragraph 2(vi) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **SMIFS CAPITAL SERVICES LIMITED** of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

#### **Opinion**

We have audited the internal financial controls over financial reporting of SMIFS CAPITAL SERVICES LIMITED ('the Company') as of 31st March 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **SMIFS CAPITAL SERVICES LIMITED**

### **NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

#### **The Company Information**

**SMIFS CAPITAL SERVICES LIMITED** (the "Company") is a public limited company incorporated and domiciled in India and has its registered office at Vaibhav, 4F, 4, Lee Road, Kolkata - 700 020, India.

The financial statements for the year ended March 31 2025 were approved by the Board of Directors and authorised for issue on 23rd May 2025.

#### **Note: 1 Material Accounting Policy Information**

##### **a) Statement of Compliance**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015 as amended by companies (Indian Accounting Standards) (Amendment) Rules, 2016, the relevant provisions of Companies Act, 2013 ("the Act")

The financial statements are presented in Indian Rupees (in Lakhs) except otherwise indicated.

##### **b) Basis of Preparation**

The Financial Statements of the Company have been prepared on historical cost convention under accrual method of accounting and as a going concern concept except for certain assets and liabilities which are measured at fair values as required by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as per the Company's normal operating cycle and the other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and noncurrent classification of assets and liabilities.

##### **c) Use of estimates**

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

##### **d) Property, plant and equipment**

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Freehold land is disclosed at cost less impairment, if any. Cost comprises of purchase price and directly Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Freehold land is disclosed at cost less impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any). Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. The carrying amount

of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The Company has elected to continue with the carrying value of its Property Plant & Equipment (PPE) recognised as on April 1, 2015 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date as per Para D7AA of Ind AS 101.

#### **Depreciation**

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a written down value basis over the useful lives as prescribed under Schedule II to the Companies Act, 2013.

Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from the asset by the Company.

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month preceding the month of deduction/disposal.

#### **e) Impairment of Non-financial assets**

The Company assesses at each reporting date whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

#### **f) Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale and borrowing costs are being incurred. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

#### **g) Provisions, Contingent liabilities and Contingent Assets**

Provisions are recognised when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at each Balance Sheet

date. These are reviewed at each Balance Sheet date and adjusted to reflect the best current estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

#### **h) Revenue recognition**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered in net of variable consideration on account of various discounts and schemes offered by the Company as part of the Contract.

#### **(i) Interest Income**

Income from interest on deposits, loan and interest bearing securities is recognised on a time proportion basis taking into account the underlying interest rate.

#### **(j) Dividend income**

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

#### **(k) Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities (including MAT) attributable to temporary differences and to unused tax losses.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the

recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

#### **(l) Cash flow statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

#### **(m) Financial instruments**

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

##### **Financial Assets**

###### **Initial Recognition**

All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition

###### **Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- entity's business model for managing the financial assets and
- contractual cash flow characteristics of the financial asset.

###### **Debt Instruments**

###### **Amortised Cost**

A financial asset is subsequently measured at amortised cost, if the financial asset is held within a business model, whose objective is to hold the asset in order to collect contractual cash flow and the contractual term of financial asset give rise on specified date to cash flow that are solely payment of principal and interest on principal amount outstanding.

###### **Fair Value through Other Comprehensive Income**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

## **SMIFS CAPITAL SERVICES LIMITED**

### **NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

#### **Fair Value through Profit or Loss**

A financial asset is classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### **Equity Instruments**

All investments in equity instruments classified under financial assets are measured at fair value. The company in respect of equity investments, which are not held for trading made an irrevocable election based on its judgment to present in other comprehensive income subsequent changes in the fair value (FVOCI) of such equity instrument. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

#### **Financial Liabilities**

##### **Initial Recognition**

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

##### **Classification and Subsequent Measurement: Financial liabilities**

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

##### **Impairment of financial assets**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

##### **Derecognition of financial instruments**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the contractual rights to receive the cash flows from the asset.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

##### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet

## **SMIFS CAPITAL SERVICES LIMITED**

### **NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

#### **(n) Fair value measurements**

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### **(o) Employee benefits**

##### **Defined contributions plan**

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

##### **Defined benefit plans**

The Company's Liabilities on account of Gratuity and Earned Leave on retirement of employees are determined at the end of each financial year on the basis of actuarial valuation certificates obtained from Registered Actuary in accordance with the measurement procedure as per Indian Accounting Standard (Ind AS) -19., 'Employee Benefits.' The costs of providing benefits under these plans are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

## **SMIFS CAPITAL SERVICES LIMITED**

### **NOTES ON STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

The Defined Benefit Plan can be short term or Long terms which are defined below:

**(i) Short term Employee benefit**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the balance sheet.

**(ii) Long term Employee benefits**

Compensated absences which are not expected to occur within 12 months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

**(p) Segment reporting**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

**(q) Earnings per share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**(r) Changes in Accounting Policies and disclosure:**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

**(s) Compliance with audit trail for accounting software:**

The Company is using an ERP which is widely used. The ERP software is having an audit trail feature for maintaining its books of account. The Company enabled audit trail in all the tables throughout the year.

### Note : 27 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

#### **Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

#### **Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using other valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial.

#### **Impairment of non-financial assets**

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

**Level 1 :** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

**Level 2 :** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

**Level 3 :** If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

**Note : 30 Financial risk management objectives and policies**

The Company's principal financial liabilities comprise loans and borrowings and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investment in equity instruments, Investment in preference shares, Investment in debentures, trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

**(A) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risks. The value of a financial instrument may change as a result of changes in the interest rates, equity price fluctuations and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

**(i) Equity Price risk**

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The fair value of Company's investment in quoted equity securities as at March 31, 2025 and March,2024 was ₹1.37 Lakhs and ₹ 1.21 Lakhs respectively. A 10% change in equity price as at March 31, 2025 and March,2024 would result in an impact of ₹ 0.14 Lakhs and ₹ 0.12 Lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

**(B) Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company is exposed to credit risk from its financing activities, investment in mutual funds and other financial instruments.
